SECTION – VI

Government and the Commission

A. NON ACCEPTANCE OF COMMISSION'S ADVICE:

During the year under report, the Government have deviated from the Commission's advice in five cases. The details are as follows:

Case-1

(G.O. (3D) No.369, Agriculture (AA-7) Department, dated 22.11.2007)

Disciplinary action was initiated against Thiru.S.Natarajan (Delinquent Officer) by framing five charges under Rule 17(b) of the Tamil Nadu Civil Services (Discipline and Appeal) Rules for his misconduct and indiscipline behavior towards women staff and other staff, while he was working as Assistant Director of Agriculture at Shenkottai. On finalization of the case, the Government decided to hold the charges framed against him has proved and for the proven charges, proposed to impose punishment of "Dismissal from Service" on the delinquent officer and sought the views of the Commission under Regulation 18(1)(b)(iv) of the Tamil Nadu Public Service Commission Regulations, 1954. The Commission offered its views duly accepting the proposal of the Government to impose the punishment of "Removal from Service" on the delinquent officer.

In the meanwhile, on the basis of information made available consequent on the secrete inquiry conducted in respect of the delinquent officer to the effect, that the staff might have caused framing charges on the delinquent officer as the delinquent officer initiated disciplinary actions against the erred staff, the government sought the revised views of the Commission on the quantum of punishment to be imposed on the delinquent officer. The Commission offered its revised views for imposing the punishment of dismissal from service on the delinquent officer.

In the meantime, the delinquent officer was suspended from service when he attained the age of Superannuation on 31.07.2002, as the disciplinary action was pending against him. Against the order of suspension, the delinquent officer filed an Original Application before the Tamil Nadu Administrative Tribunal. In the Judgement passed by the Tamil Nadu Administrative Tribunal it has been stated that the dependants are instructed to pass final orders in the disciplinary case within two months from this date, failing which the individual would be deemed to have been acquitted from the charges and the disciplinary procedures set aside.

When consulted, the Senior Standing Counsel of the Administrative Tribunal and the Government Pleader of the High Court opined that this was not a fit case to appeal against in the High Court. The Government Pleader, in his opinion offered to the Government, had stated that no Criminal case could be preceded, against the delinquent officer for his misbehavior towards women staff and other staff, at the distance of 14 years of the occurrence of the delinquency. Further, the Director of Agriculture had informed that no delay condonation petition could be filed against the orders of the Tamil Nadu Administrative Tribunal.

In the above circumstances, the Government, again after going through the case independently and carefully with the connected records, the revised opinion offered by the Tamil Nadu Public Service Commission, the opinion offered by the Senior Standing Counsel of the High Court of Madras and the opinion of the Government Pleader, decided to deviate from the views of the

Tamil Nadu Public Service Commission. Thus, in order to implement the orders of the Tamil Nadu Administrative Tribunal, the Government decided to drop further action against Thiru.S.Natarajan, formerly Assistant Director of Agriculture (under suspension) in the disciplinary case against him for his misbehavior towards women staff and other staff and issued orders accordingly. Thus, the Government has issued orders in deviation of the Commission's views in the disciplinary case initiated against Thiru.S.Natarajan, formerly Assistant director of Agriculture (under suspension).

Case-2:-

(G.O. (D) No.1707, Health and Family Welfare Department, dated 31.12.1997)

Tmt.A.Rajam (Appellant), formerly Assistant, Government Rajaji Hospital, Madurai was transferred and posted to Stanley Hospital. But the appellant did not join duty at Stanley Hospital. Instead she proceeded on leave in piecemeal. Hence she was referred to Medical Board by the Joint Director of Health Services, Sivaganga. The Medical Board has issued fitness certificate to her to resume duty with effect from 9.10.1995. The appellant did not join duty on that day. An explanation was called for in this regard. As the explanation was considered not satisfactory, disciplinary action was initiated against Tmt.A.Rajam by framing 3 charges under Rule 17(a) of the Tamil Nadu Civil Services (Discipline & Appeal) Rules. On finalization of the case, the Director of Medical Education imposed the punishment of stoppage of increment for one year without cumulative effect on the appellant for the proven charges.

Aggrieved by the punishment order, the appellant preferred an appeal to the Government. The Government during 1997, forwarded the above appeal with the connected records and sought the views of the Commission on the appeal. The Commission, after examining the case with the connected records, viewed that as the punishment of stoppage of increment for a period of one year without cumulative effect imposed on the appellant was excessive for the delinquency committed by the appellant, and advised the Government to reduce the punishment to one of "Censure".

However, the Government in deviation from the above views of the Commission issued orders, confirming the punishment of stoppage of increment for one year without cumulative effect imposed on the appellant and rejected the appeal preferred by her.

Case-3:-

(G.O. (3D) No.184, Agriculture (AA-5) Department, dated 28.07.2008)

In February 2007, the Government have sought the views of the Commission on the disciplinary action taken against Thiru.K.M.Paulraj, Agricultural Officer and Thiru.C.Muniappa, Assistant Agricultural Officer under Rule 17(b) of Tamil Nadu Civil Services (Discipline & Appeal) Rules for the irregularities committed by them in the purchase of manila seeds while serving in Agricultural Extension Centre, Vandavasi of Thiruvannamalai District. The Government have arrived at a provisional conclusion to inflict the punishment of stoppage of increment for one year without cumulative effect besides recovery of Rs.2300/- on Thiru.K.M.Paulraj and stoppage of increment for one year without cumulative effect besides recovery of Rs.3750/- on Thiru.C.Muniyappa and sought the views of the Commission.

The Commission after examining the case in detail with connected records agreed to the provisional conclusion arrived at by the Government to inflict the above said punishment on both delinquent officers.

Now the Government have send the Copy of Government order (3D) No.184, Agriculture (AA-5) Department, dated 28.07.2008 issued on the

disciplinary action against Thiru.K.M.Paulraj, formerly Agricultural Development Officer. In that Government order it is stated that the date of retirement of Thiru.K.M.Paulraj is 31.05.2009 and the date of his annual increment is 01.10.2008 and hence the proposal punishment of stoppage of increment for one year without cumulative effect can not be implemented on him. The pecuniary loss to Government of Rs.2300/- caused by him has also been remitted by the delinquent officer into Government Account. Hence the Government decided that for the proven charges against him the punishment of stoppage of increment for six months without recovery may be imposed and passed final orders accordingly.

The Commission advised the Government to inflict the punishment as proposed by the Government. But the Government have issued orders deviating from the advice of the Commission.

Case-4:-

(G.O. (D) No.336 to 340, Health and Family Welfare (D1) Department, dated 08.04.2008)

Disciplinary action was initiated against the following seven delinquent officers, who had been attached to Primary Health Centre, Kelambakkam, Under Rule 17(b) of the Tamil Nadu Civil Service (Discipline & Appeal) Rules for the malpractices committed by them in the vasectomy operation done during the period from 01.04.1986 to 31.03.1987 and for misappropriation of Government Money:-

1.	Thiru.M.Sarangapani	- Multi purpose Health Assistant
2.	Tmt.Refuge Mary Teresa	- Village Health Nurse
3.	Thiru.S.Gopal	- Multipurpose Health Assistant
4.	Thiru.J.Kubendran	- Multipurpose Health Assistant
5.	Thiru.A.Kanappan	- Health Supervisor
6.	Thiru.P.Chandrasekaran	- Health Supervisor
7.	Thiru.T.V.Mohankumar	- Multipurpose Health Assistant

On finalization of the disciplinary case, the Government held the charge framed against the above delinquent officers as proved for the proven charge, arrived at a provisional conclusion to impose a suitable punishment on the delinquent officers, besides recovering a sum of Rs.6475/- being their share from each of the delinquent officers, out of the misappropriated Government money of Rs.110075/- and sought the views of the Commission Under Regulation 18(1)(b)(ii) of the Tamil Nadu Public Service Commission Regulation, 1954. The Commission offered its views accepting the provisional conclusion arrived at the Government viz to recover a sum of Rs.6475/- from each of the six delinquent officers besides recommending the punishment in each case as follows:-

1. Stoppage of increment for three years with cumulative effect (inclusive of the period if any, spent on leave and affecting pension) for Tmt.Refuge Mary Teresa, Thiru.S.Gopal and Thiru.A.Kanappan.
2. Stoppage of increment for six months with cumulative effect (inclusive of the period if any, spent on leave and affecting pension) for Thiru.M.Sarangapani and Thiru.J.Kubendran
3. Stoppage of increment for two years with cumulative effect (inclusive of the period if any, spent on leave and affecting pension) for Thiru.T.V.Mohankumar
4. As regards Thiru.P.Chandrasekaran, action might be pursued against him under the Tamil Nadu Pension Rules.

Among the delinquent officers, in respect of Tmt.Refuge Mary Teresa and Thiru.A.Kannappan the Government issued orders in accordance with the Commission's views-vide G.O. (D) No.862 & 861 dated 17.07.2007, respectively.

Then, the Government have issued a general order in G.O.Ms.No.115, dated 01.04.2008 as a matter of policy, to drop further action in the disciplinary cases initiated under rule 17(b) of the Tamil Nadu Civil Services (Discipline & Appeal) Rules against the Medical Officers and other Government servants for the alleged irregularities and misappropriation of Government money in the conduct of Family Welfare Operation during 1985-1989, which are pending as on date. According to this order, the Government have issued individual orders in respect of Tvl.M.Sarangapani, S.Gopal, J.Kubendran, T.V.Mohankumar and P.Chandrasekaran, dropping further action vide G.O.(D) Nos.336 to 340, Health and Family Welfare (D1) Department, dated 08.04.2008.

Thus, the Government have issued orders in deviation of the Commission's views in the disciplinary action initiated against Tvl.M.Sarangapani, S.Gopal, J.Kubendran, T.V.Mohankumar and P.Chandrasekaran.

Case – 5:-

The post of Assistant Executive Engineer (Civil) in Public Works Department included in the Tamil Nadu Engineering Service is within the purview of the Commission. Therefore, appointment to the post has to be made in consultation with the Commission. In this connection, the Government furnished 127 vacancies, of which six vacancies were to be filled up by recruitment by transfer from the Head Draughtsman and Draughtsman Grade-I. As per the Government suggestion, the said 6 vacancies were kept unfilled so as to fill them up by Junior Engineers after amending the rules. Therefore, based on the proposals received from the Government the selection for appointment to the post of Assistant Executive Engineer (Civil) in Public Works Department in the Tamil Nadu Engineering Service for the year 2004-2005 was finalized by the Departmental Promotion Committee in its meeting held on 22.05.2006 against 121 vacancies. Out of 121 vacancies, 95 vacancies have to be filled up by promotion from the Assistant Engineers of Public Works Department and 26 vacancies have to be filled up from the Junior Engineers of Public Works Department by recruitment by transfer. Therefore, 95 Assistant Engineers and 26 Junior Engineers were recommended for appointment against the vacancies by the Departmental Promotion Committee.

The Government approved the panel by including the names of the individuals recommended by the Departmental Promotion Committee in both the two categories viz. Assistant Engineers and Junior Engineers excepting the names of the three Junior Engineers who were retired on superannuation.

The Government stated that Tvl.N.Govindarajan, T.Santhinathan and B.Dharmalingam Junior Engineers who were recommended by Departmental Promotion Committee for inclusion in the panel of Assistant Executive Engineer (Civil) have retired from service on attaining the age of superannuation on 31.05.2006 (i.e) prior to the issue of Government Order approving the panel Vide G.O.3(D) No.28, Public Works Department, dated 22.06.2006. In G.O.(D) No.253, Public Works Department, dated 22.06.2006 orders have been issued for regular promotion of 108 Assistant Engineers / Junior Engineers only as Assistant Executive Engineer in order to maintain the ratio of 3:1 among the Assistant Engineers and Junior Engineers and proposed to include the names of three more Junior Engineers in the respective turn in the approved panel as against the persons who have retired before the issue of the panel so as to give

appointment to all the 95 Assistant Engineers recommended by the Departmental Promotion Committee for appointment as Assistant Executive Engineer and sought the recommendations of the Departmental Promotion Committee.

The Commission informed the Government that according to the rules and practice, only one regular panel alone has to be drawn for a panel year as Annual list. Therefore second sitting of the Departmental Promotion Committee is not resorted to for the drawal of another list for one and the same year and hence the Departmental Promotion Committee meeting cannot be convened again for the selection of three candidates additionally for one and the same year which will amount to drawal of another list for the same year. So the Government were also informed that even if it is considered as inclusion in the panel already drawn, the inclusion of the names in the panel already drawn can be done only when the names of the individuals who are seniors to the junior most selected and included in the approved list if omitted / has not been considered for selection for one or other reasons and since, in this case, the three individuals whose names are now recommended are juniors to the last candidate selected and included in the list already approved and those cases were not considered while drawing the list, it cannot also be treated as inclusion and even if they are considered for such inclusion, it will amount to drawal of another list which is not permissible.

The Commission, however, suggested that necessary proposal for the drawal of the next list for the year 2005-2006 which is already due, be sent to the Commission early so as to fill up the vacancies, including subsequent unfilled vacancies that arose for the year 2004-2005.

The Government have stated that due to administrative reasons and urgent nature, the panel has been issued by deleting the names of three Junior Engineers from the panel and decided to incorporate three more Junior Engineers in their place and in view of the non-inclusion of the 3 Junior Engineers, promotion could not be given to 10 Assistant Engineers included in the panel to maintain 3:1 ratio and requested to obtain the concurrence of the Tamil Nadu Public Service Commission for inclusion of three Junior Engineers, in the ratio earmarked for them. The Government further stated when qualified Junior Engineers are available for inclusion in the ratio earmarked for them, their right for inclusion in the panel cannot be taken away and it will lead to legal problems and requested to obtain the concurrence of the Tamil Nadu Public Service Commission. The Commission reiterated its earlier stand. However, the Government in their G.O. (D) No.15, Public Works Department, dated 12.01.2007 issued orders including the names of three Junior Engineers in the list for the year 2004-2005.

As appointment have to be made in the ratio 3:1 among the Assistant Engineers and Junior Engineers as per the Special Rules, the Government, requested the Commission to select 3 more Junior Engineers additionally, so as to give appointment to all the 95 Assistant Engineers, after fulfilling the ratio prescribed in the Special Rules.

The Commission in view of the fact that sufficient number of Junior Engineers were recommended by the Departmental Promotion Committee at its meeting held on 22.05.2006. Therefore, the Commission expressed its inability to select three more Junior Engineers as desired by the Government.

The Government however, without taking into consideration, the Commission's stand, have issued order including 3 more Junior Engineers in the approved list in G.O. (D) No.15, Public Works (A1) Department, dated 12.01.2007 stating that they have decided to deviate from the views of the Commission and to include their names in the list for the year 2004-2005.

The Commission pointed out to the Government that according to Art.320 (3)(b) of the Constitution of India, the Commission has to be consulted on the principles to be followed in making appointments to Civil Services and posts and in making promotions and transfers from one service to another and on the suitability of candidates for such appointments by promotion or transfer.

The Government have stated that in this case, G.O. (D) No.15, Public Works Department, dated 12.01.2007 in which orders were issued for inclusion of three Junior Engineers in the Assistant Executive Engineer panel, was issued after affording opportunity to the Tamil Nadu Public Service Commission as per Secretariat Instruction 95(a) and since the Government have complied with the requirement of consultation with Tamil Nadu Public Service Commission under Article 320 (3) of the Constitution and also complied with the Secretariat Instruction for deviating from the advice of Tamil Nadu Public Service Commission, the above order will stand the scrutiny of law.

According to the instruction 95 of the Secretariat Business Rules, if the Government desire not to accept the Commission's advice, as far as possible, the Commission should be given a reasonable opportunity duly furnishing the reasons therefor, and its views thereon have to be obtained. But, the views of the Commission was not obtained for including their names before approving the panel whereas the Government in this regard have stated the procedure prescribed in Secretariat Instruction 95 have been followed for including the names of the individuals.

Since the panel could not be approved before 31.05.2006 and by that time, three of the Junior Engineers were found retired, the proper course of action is not to approve the list and to approach the Commission for further candidates. In the event, if the panel had to be approved due to official contingencies, a temporary panel (with the candidates selected by the Departmental Promotion Committee) at the first instance and to convert it into regular panel subsequently after getting the recommendation of the Departmental Promotion Committee / Commission in respect of the three Junior Engineers or to approach the Commission expressing their desire to reissue / modify the Government Order already issued duly including 3 more Junior Engineers duly getting the recommendation of the Departmental Promotion Committee / Commission. The Government without choosing any of the above measures, approached the Commission for the drawal of another list containing the names of three Junior Engineers by convening another Departmental Promotion Committee meeting which would amount to the drawal of another list for the vacancy for the same year which is not in practice and is not also admissible according to the rules. Since the proposal of the Government was not accepted by the Commission, the Government themselves have approved the names of three Junior Engineers by deviating from the Commission' s views.
